

Animal Hospital of Colorado Springs

Canine Senior Wellness Bundle

The following items are recommended for your pet every year to provide a more complete picture of your dog's overall health. It allows our vets to spot early changes in your dog's health that may not be obvious and could indicate potential illnesses are developing.

Recommended Yearly:

Comprehensive Physical Exam	\$70
Urinalysis	\$73
Comprehensive Blood Work	\$263.22
Heartworm/Tick Test	\$63.60
Intestinal Parasite Screen	\$58.50
Blood Pressure Measurement	\$38

Total	\$566.32
-------	----------

If you were to pay for these Services individually the cost would be **\$566.32** We offer the above services in a bundle for only **\$325.50** That is a savings of **\$240.82!**

This bundle is only available at the time of an annual wellness exam and cannot be used for ill pets.

***Vaccinations are not included**
